Foreword .....	IX
----------------	----

## CHAPTER 1

---

General Information of China's STM Journals .....	1
1.1 Analysis of Current Situation of China's STM Journals .....	2
1.2 Distribution by Discipline and Overall Performance of Chinese Language STM Journals .....	5
1.2.1 Distribution by Discipline of Chinese STM Journals .....	6
1.2.2 Citable Documents and Domestic Academic Influence of Chinese STM Journals .....	6
1.2.3 International Influence of Chinese STM Journals .....	11
1.3 Analysis on Influence of China's English STM Journals .....	13
1.3.1 Current Situation of China's English STM Journals .....	13
1.3.2 Distribution of China's English STM Journals by Discipline .....	18
1.3.3 Citable Documents and Domestic Academic Influence of China's English STM Journals .....	20
1.3.4 International Academic Influence of China's English STM journals .....	23
References .....	35
Appendix .....	35

## CHAPTER 2

---

Analysis of Papers Published by China's STM Journals .....	47
2.1 Analysis of Papers Published by SCI-Indexed STM Journals in China .....	49
2.1.1 Distribution by Discipline of Papers Published by China's STM Journals .....	49
2.1.2 Distribution by Publishing Institution – Papers Published by China's STM Journals .....	70
2.1.3 Academic Influence of Papers Published by China's STM Journals ...	83

2.2	Analysis of Papers Published by China's STM Journals, Based on Scopus Data . . . . .	95
2.2.1	Distribution by Disciplines of Papers Indexed by Scopus . . . . .	97
2.2.2	Changes in Number of Papers Published by China's STM Journals and by Chinese Authors During 2009–2018 . . . . .	99
2.2.3	Comparison of Publication Volume Between the Chinese and English STM Journals in Scopus . . . . .	99
2.3	Analysis of Papers Published by China's STM Journals, Based on CNKI Data . . . . .	104
2.3.1	Distribution by Disciplines of Papers Published by China's STM Journals . . . . .	104
2.3.2	Distribution by Regions of Papers Published by China's STM Journals . . . . .	109
2.3.3	Distribution by Publishing Institutions of Papers Published in China's STM Journals . . . . .	111
2.3.4	Analysis of Funded Papers Published by China's STM Journals . . . . .	113
2.3.5	Academic Influence of Papers Published by China's STM Journals . . . . .	119
2.3.6	Social Service Capability of Papers Published by China's Technical Journals . . . . .	123
	Appendix . . . . .	132

### CHAPTER 3

---

	Trends of Development of China's Popular Science Journals . . . . .	149
3.1	Analysis of the Current Situation of China's Popular Science Journals . . . . .	150
3.1.1	General Introduction of China's Popular Science Journal Development . . . . .	151
3.1.2	Current Situation of China's Popular Science Journal Development . . . . .	157
3.2	Case Studies of Popular Science Journals . . . . .	172
3.2.1	Case Studies of High-Quality Content and All-Media Integrated Development . . . . .	172
3.2.2	Case Studies of Journals' Industrialization, Clustering, and Co-development with Other Media Through Mutual Learning . . . . .	176
3.2.3	Case Study: Create the Culture of Science Popularization, and Promote the Integrated Development of Science and Culture . . . . .	181
	References . . . . .	184
