Preface

Chapter 1	Introduction	1
1.1	Basic concepts	1
1.2	Basic results	5
Chapter 2	Rainbow Connection Number, Order and Minimum Degree (sum)	14
2.1	Rainbow connection number, order and minimum degree (sum)	14
2.2	Rainbow vertex-connection number and minimum degree (sum)	27
Chapter 3	Rainbow Connection Number, Radius and Diameter	38
3.1	Rainbow connection number and radius with bridgeless	38
3.2	Rainbow connection number and radius with bridges	43
Chapter 4	Rainbow Connection Number and Independence Number	52
4.1	Tight example	52
4.2	Lemma and observation	53
4.3	Theorem and proof	54
Chapter 5	Rainbow Connection Number of Dense, Sparse and Random Graphs	69
5.1	Definitions of dense, sparse and random graphs	69
5.2	Rainbow connection number of dense graphs	69
5.3	Rainbow connection number of sparse and random graphs	74
Chapter 6	Computational Complexity	84
6.1	Conjecture of NP-hard and NP-complete	84
6.2	NP-hard and NP-complete	85
	Reference	101
	Index	106
